□

Sunny Glassware is committed to exporting high-quality fragrance products to Europe and the United States. It continues to explore Chinese history and culture, and opens a window for Western countries to understand China. It is precisely against this background that the feather crown glass candle jars series has been successfully developed:

1. Oriental culture The rank of officials in the Qing dynasty was reflected by their wearing flower lings, which were made for peacock feathers, which was a symbol of distinguishing prestige and dignity at the time.

2. In Western culture, angels are divided into different levels according to the number of wings. People will also express someone's achievement or honor through the feathers inserted on their hats.

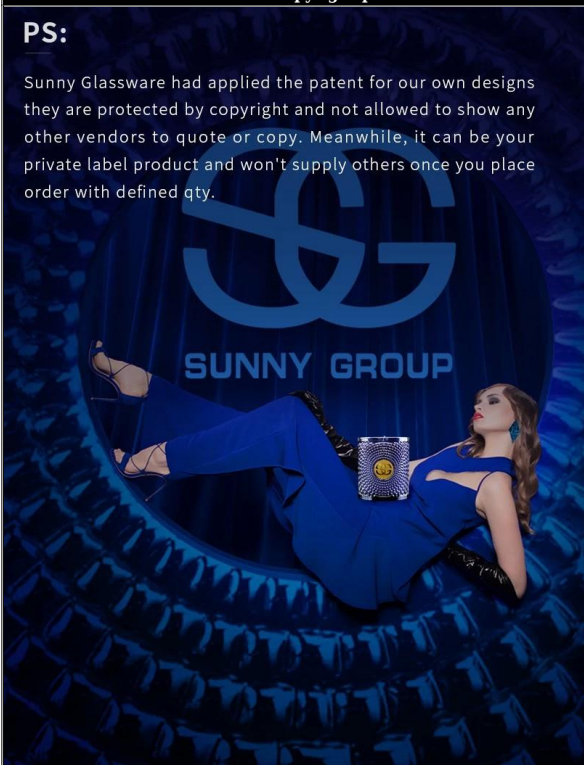

**Your logo can be design with metal label on the candle jars for
your brand**

Copyright patent

PS:

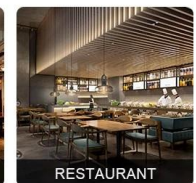

Sunny Glassware had applied the patent for our own designs they are protected by copyright and not allowed to show any other vendors to quote or copy. Meanwhile, it can be your private label product and won't supply others once you place order with defined qty.
